Commissioner for Patents

Notice of Non-responsive Amendment

The reply filed on 11/5/2003 and 12/21/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The manner of making the amendment is improper. Applicant is referred to 37CFR1.173(b)(2) and (g) and MPEP1453 for the format for reissue amendments to claims. All amendments should be made relative to the original patent (specification and claims). All claims added to the original patent claims should be underlined completely at original presentation and at each amendment. Thus, all the remaining claims in this application should be resubmitted and underlined completely. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vit W. Miska whose telephone number is 571-272-2108. The examiner can normally be reached on M-F 9-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, K. Cuneo can be reached on 571-272-1957. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
